NOTICE OF UNLICENSED OPERATION

Case Number: EB-FIELDNER-17-00025460

On September 21, 2017, Agents from the Boston Office (Boston Office) of the Federal Communications Commission's (FCC's or Commission's) Enforcement Bureau (Bureau) investigated an unlicensed FM station operating on the frequency 88.5 MHz in Mattapan, Massachusetts. The Agent confirmed by direction finding techniques that radio signals on frequency 88.5 MHz were emanating from the business office of Dacypher Entertainment, 34 Topalian Street, 2nd Floor, Mattapan, Massachusetts. The Commission's records show that no license was issued for operation of a radio station on 88.5 MHz at this location in Mattapan, Massachusetts. The Boston Office investigated and determined that you are the operator of the radio broadcast station on 88.5 MHz in Mattapan, Massachusetts.

Radio stations operating on a range of frequencies,¹ including 88.5 MHz, must be licensed by the FCC pursuant to Section 301 of the Communications Act of 1934, as amended (Act).² The only exception to this licensing requirement is for certain transmitters using or operating at a power level or mode of operation that complies with the standards established in Part 15 of the Commission's rules.³ The field strength of your signal on frequency 88.5 MHz was found to exceed the maximum permitted level of 250 μ V/m at 3 meters for non-licensed devices. Thus, this station is operating in violation of Section 301 of the Act.⁴

You are hereby warned that operation of radio transmitting equipment without a valid radio station authorization, or in violation of the Commission's RF radiation limits, constitutes a violation of the Federal laws cited above and could subject the operator to severe penalties,

¹ 47 CFR § 73.201.

² 47 U.S.C. § 301.

³ 47 CFR §§ 15.1 *et seq.*

⁴ 47 U.S.C. § 301.

including, but not limited to, substantial monetary fines, *in rem* arrest action against the offending radio equipment, and criminal sanctions, including imprisonment.⁵

UNLICENSED OPERATION OF THIS RADIO STATION MUST BE DISCONTINUED IMMEDIATELY.

You have ten (10) days from the date of this notice to respond with any evidence that you have authority to operate granted by the Commission. Your response should be sent to the address in the letterhead and reference the listed case number. Under the Privacy Act of 1974,⁶ we are informing you that the Commission's staff will use all relevant material information before it to determine what, if any, enforcement action is required to ensure your compliance with FCC Rules. This will include any information that you disclose in your reply.

You may contact this office if you have any questions.
